ABOUT THIS PLAN

Introducing the "Cheyenne" - an exceptional blend of elegance and comfort. Enjoy the luxury of the spacious primary bedroom. Located at the rear of the home, the primary bath boasts double granite vanities, a relaxing soaking tub, a separate tiled shower with a glass door, and a generously sized walk-in closet. Three additional bedrooms, each with walk-in closets, and two more bathrooms with soaking bathtubs and granite vanities provide ample space. One of these bedrooms would be a perfect in-suite for parents or grown children moving back home, ensuring cherished moments together with individual space. Experience the heart of the home where the kitchen, with a stunning granite island, seamlessly blends with the dining area and great room. A vaulted ceiling and cozy fireplace complete this harmonious living space. Escape to tranquility on the rear covered patio, a haven for outdoor enjoyment with abundant shade. Relax with a book or host delightful gatherings in this space that elevates your living experience. Completed this exquisite design is a 3-car garage with additional storage
