ABOUT THIS HOUSE

The "Windemere" floor plan is certainly not mere with 4 bedrooms and 3.5 bathrooms. This floor plan is complete with 10 foot ceilings encompassing the entire first floor and 9 foot ceilings throughout the rest of the house. This elegant plan provides 3 covered patios, a 2-story family room, and an open kitchen. The kitchen seamlessly flows into one of the outdoor, covered patios which makes this plan great for entertaining guests. The first floor master bedroom offers detailed accent ceilings complete with his and her vanities and a soaking tub in the bathroom. The 3 car garage allows plenty of space for all vehicles. The dining room at the front of the house is a great space to gather the whole family. The 2nd floor is complete with 3 bedrooms, a sitting area, and a loft. The "Windemere" offers unique spaces throughout the whole house for any activity. This floor plan is stunning while practical and the perfect fit for all members of the family.
