ABOUT THIS HOUSE

The "Ethridge" plan offers a unique blend of an open-layout concept paired with a cozy, inviting feel. This plan provides a great room settled in the front of house, which allows convenient access to the front porch and two bedrooms. The two bedrooms are conjoined by a spacious bathroom, with comfort height vanities. The dining room, which is situation in the center of the house, leads directly into the kitchen and breakfast area, making entertaining a breeze. The kitchen provides easy access to the back deck. The master, located directly off the kitchen, creates an undisturbed environment in the back of the house. The master bedroom is completed with a luxurious master bathroom that includes a garden tub, his and her closets and elegant vanities. This plan includes a basement to add additional office, play or guest space.
