## ABOUT THIS HOUSE

The "Allagash" floorplan includes 4 bedrooms and 2 bathrooms. A covered porch leads directly into the cozy foyer, which opens to the kitchen, dining and great room. This functional floorplan offers a seamless flow for entertaining or everyday life. The laundry room is accessible for the garage, making it a breeze to keep the house clean. It is also located near the front of the house for convenience. The primary retreat is located in the back of the house for complete privacy. Featuring a large walk-in closet, double-vanity and vinyl luxury floor tile, the primary creates a luxurious escape. The other three bedrooms complete the opposite side of the house and share a centrally located bathroom.
