Morningside II

Home Plan

SQ FT: 3,490

Beds: 4

Baths: 4.0

Garage: 2

ABOUT THIS PLAN

The Morningside II excels in space planning, seamlessly blending sought-after features for an exceptional home. Enter through the inviting front porch to a vast foyer leading to a spacious great room with a striking corner fireplace and ample natural light. The adjacent large kitchen boasts an island with a wine rack and open bookcase, a functional layout, and a generous pantry. A flex room off the kitchen can serve as a dining area or study, adapting to your family's needs. The main level also features a lavish primary suite with a sitting room, offering a tranquil retreat. The primary bath is luxurious, and a roomy walk-in closet adds convenience. Three additional bedrooms with walk-in closets and two full bathrooms are accessible from the main entryway, complete with a linen closet for extra storage. The upper level hosts a versatile bonus room with a full bath and a walk-in closet, providing endless possibilities. Practical elements include a mudroom connected to the side-entry garage, streamlining daily routines, and a spacious covered patio with an exterior fireplace at the rear, perfect for

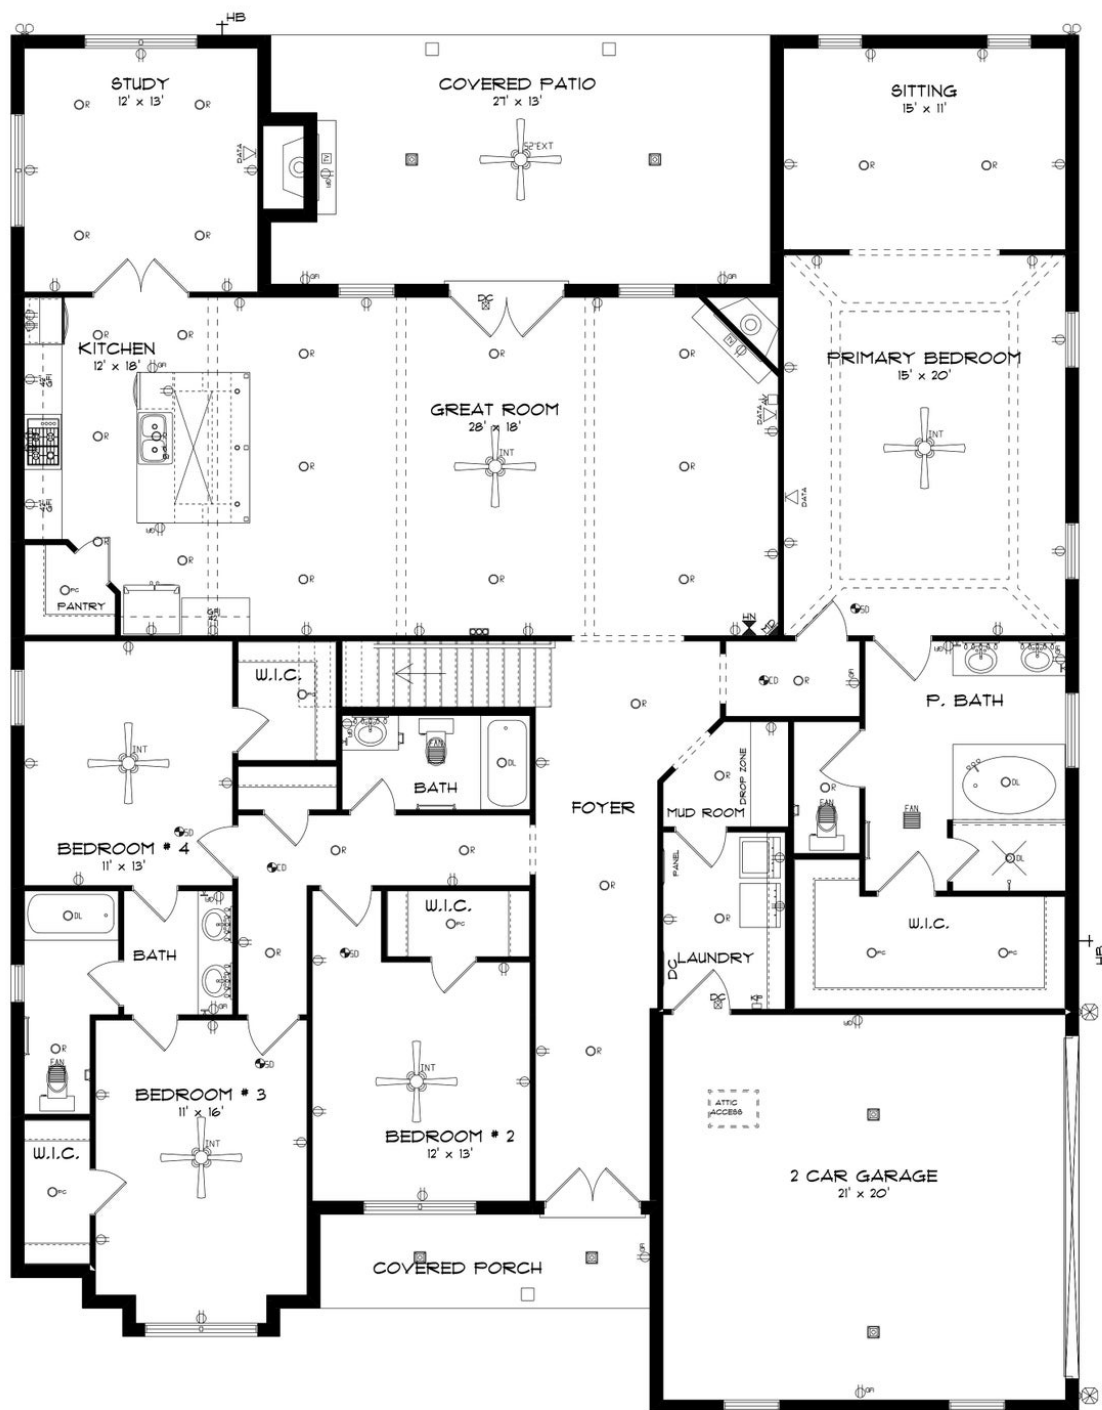

Prices, plans, dimensions, features, specifications, materials, and availability of homes or communities are subject to change without notice or obligation.
