Murphy

Home Plan

SQ FT: 1,804

Beds: 4

Baths: 2.0

Garage: 2

ABOUT THIS PLAN

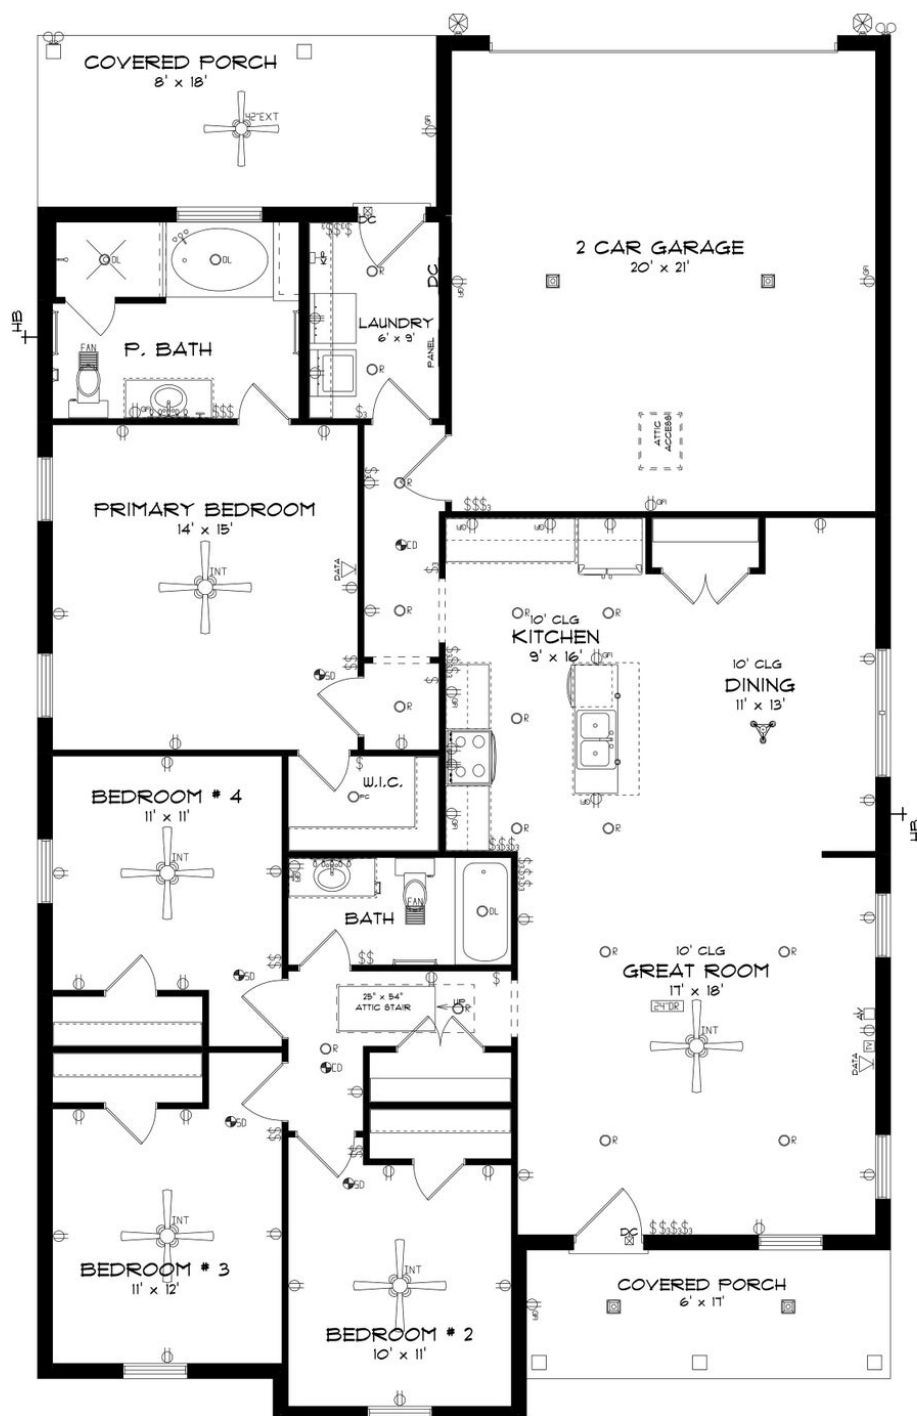

With 4 bedrooms and 2 bathrooms, the "Murphy" might just be our most quaint plan yet! This cottage home features 10" ceilings in the Great Room, Dining Room and Kitchen. The kitchen is what chef dreams are made of with a large island and large pantry. The primary bathroom boasts a garden tub with separate shower, while the primary bedroom boasts a large walk-in closet. With 3 other bedrooms, you will never feel cramped in this spacious cottage. This plan also has 2 covered porches for all of those dreamy, fall porch sitting days.

Prices, plans, dimensions, features, specifications, materials, and availability of homes or communities are subject to change without notice or obligation. Illustrations are artists depictions only and may differ from completed improvements. All prices subject to change without notice. Please contact your sales associate before writing an offer.
